Dear Parents,

Summer is quickly approaching! Enclosed you will find the form needed to register your child/children for the 2021 summer camp. We ask that you register as soon as possible so we can plan our staff and make sure that there will be a spot for your family.

Our summer camp will be taking place at our Quakertown campus. Campers that live closer to our Sellersville campus may be dropped off there and will be taking a bus to Quakertown each day. The bus will be leaving each morning at 9:00 am and return to Sellersville campus around 5:00 pm each afternoon. If you want to pick your child up earlier, you may pick up at the Quakertown campus.

We have also enclosed an activity calendar for the summer. The daily activities, prices, and times are on this calendar. Depending on the weather and other circumstances, the calendar may be subject to change. These trips are optional; you can pick and choose which field trips you would like your child to attend. We will send a copy of the next week's trips home each Friday. Please fill out which trips your child will be going on and enclose a cash payment for those trips. This sheet can be turned into the office each Monday morning.

Throughout the summer we will have special camp weeks - Cooking camp, Water Palooza, Habitat Hunters, Inventors Workshop, Around the world in 5 days, Mission Impossible, Spirit week, and a whole lot more! We will also be having daily rotational groups to keep the campers fully engaged.

- Fill out the form and *enclose it with **cash** payment in an envelope* with your child's name on the form and envelope. You can do this the Friday before once the forms are available or on Monday morning.
- Put the envelope in the bin in the office.
- You may check off the trips for the entire week on one form. You do not need to fill out a form for each trip. You may also put multiple children on one form, especially if they are going on the same trips together.
- ***Please do not*** put cash in a Ziploc baggie or paper clip it to a form. We have already had cash get separated from the form and it makes it difficult to ensure the right family gets credit for payment.
